HOW TO COMPLETE YOUR CLAIM FORM

Please read this page before you start to complete your Claim Form

To consider a claim, we must have a fully completed Claim Form from each beneficiary, one certified death certificate and other documents as appropriate for the claim. **For additional claim forms, visit our website at service.nylaarp.com and select "Claim Form".**

No original documents will be returned.

SECTION 1 - List all the Contracts under which you are making a claim.

SECTION 2 - Information about the deceased is necessary for purpose of identification and benefit determination.

SECTION 3 - Beneficiary information and signature instructions:

Taxpayer Identification Number: Life insurance benefits are generally not subject to income tax. However, New York Life pays interest on the insurance proceeds from the date of death. Since the interest paid to you may be taxable, you should consult your tax advisor.

The Federal Government requires us, and all other financial institutions, to report interest we pay to you. Therefore, we are required to obtain your Social Security or other Taxpayer Identification Number, which you must certify under penalties of perjury. If you are applying for a tax number, the Federal Government requires us to withhold a portion of your interest as a deposit against the taxes that may be due.

Some persons may have been notified by the Internal Revenue Service that they are subject to "backup withholding" because in the past they did not report all their interest or dividends. If you have been so notified, and a back up withholding order has not been rescinded, you must check the Back-up Withholding section right below your Income Tax Certification. We may contact you for more information if there are any questions about your Taxpayer Identification Number or back up withholding status, or if you are a non-resident alien or foreign entity.

Minor/Child	Complete this section with the minor's information including Name, Social Security Number and Date of Birth. Submit a copy of the court document appointing the custodian of the minor child's property/estate. If a legal guardian has not been established for the property/estate of the minor child, payment may be considered under the Uniform Transfers to Minors Act (UTMA)/Uniform Gifts to Minors Act (UGMA) subject to state guidelines. Please contact our office for further information. Note: The custodian of the minor's "person" is not necessarily the custodian of the minor's property/estate.
Estate	Provide the Estate name (i.e. "Estate of Jane Doe") and Estate Tax Identification Number and submit a copy of the certified appointment papers. Note: A Last Will and Testament will not be accepted as proof of authority of executorship.
Trust	A copy of the Title, Signature and Notary pages of the Trust are required, including the pages showing the Trustee and Successor Trustee information.

SECTION 4 - Please sign the Claim Form in the same manner as you would normally sign your checks. Your signature will be used to verify instructions you give us in the future.

SECTION 5 - The Medical Information and Authorization section must be completed if all or any portion of the insurance coverage is less than two years old at the time of death.

Illinois Interest Statement:
If the contract was issued in Illinois, you will be paid 10% interest, from the date of death, if your claim is not paid within 31 days of receiving the necessary proof needed to settle the claim.

Frequently asked questions concerning the claims process

Q. Where do I send my claim information?

A. Please send your fully completed claim form and one certified death certificate, along with any additional required documentation to:

New York Life Insurance / AARP Operations
Attn: Claims Department
P.O. Box 30713
Tampa FL 33630-3713

Q. How do I obtain a certified death certificate?

A. Most funeral homes will provide the family of the deceased with several certified death certificates. You can also contact the Vital Records Division in the state of the deceased for this document.

Q. What makes it a certified death certificate?

A. Certified death certificates have either a raised seal or a multicolored signature seal from the county, city, or state that issued the certificate. In addition, the original death certificate should contain the signature of an appropriate officer of the county, city or state.

Q. Will you accept a certified death certificate with a pending manner of death?

A. No. We must receive a certified death certificate with the final manner of death.

Q. If a named primary beneficiary is deceased, can I send a copy of the certified death certificate for the deceased beneficiary?

A. Yes, a copy is acceptable.

Q. What is an incontestable claim?

A. A claim is considered incontestable when the insured's death occurs two years or more after the insurance date, reinstatement date or effective date of any rider.

Q. What is a contestable claim?

A. A claim is considered contestable when the insured's death occurs within two years of the insurance date, reinstatement date or effective date of any rider. On contestable claims, the Medical Information and Authorization section of the claim form must be completed.

Q. What is a funeral home assignment?

A. A funeral home assignment is a binding contract between a contract owner or a beneficiary and a funeral home. If a beneficiary signs an assignment form authorizing us to direct payment of all or a portion of the proceeds to a funeral home **and** the assignment is received prior to the claim being settled, we are obligated to honor the assignment and pay the funeral home accordingly. In some instances a collateral assignment may have been made prior to the owner's death.

Q. What happens if there is no guardian named for the minor child?

A. The Uniform Transfers to Minors Act (UTMA) or Uniform Gifts to Minors Act (UGMA) permits disbursement of funds to a minor child without guardianship papers. There are certain guidelines and limitations determined by each state regarding disbursement of funds to a minor under this Act. Contact New York Life for specific information.

Q. My name has changed since the last beneficiary designation. What do I need to provide to validate the name change?

A. If a beneficiary's name has changed due to marriage or divorce, a copy of the marriage or divorce decree is required. If the name has changed due to any other reason, we require a court document indicating the name change from the birth name to the requested name.

Q. Why does a beneficiary, estate or trust need to provide their Social Security Number or Federal Tax Identification Number?

A. The claim cannot be processed without this information. Interest is paid on most claims from the date of death until the date the claim is paid. The Social Security Number or Tax Identification Number is required to report interest payments to the Internal Revenue Service.

Q. Why is any amount withheld for the payment of taxes? I thought life insurance proceeds were income-tax free?

A. Any interest paid on death proceeds is subject to Federal and state taxation. We will not withhold income tax from interest unless you have advised us that you are subject to backup withholding or if the taxable portion of all payments for the year is less than $200.00.

Q. What is a Form 1099-INT?

A. Form 1099-INT is utilized to report to the Internal Revenue Service interest payments made to an individual or entity (such as a trust or estate) during any calendar year. Form 1099-INT is mailed to an individual or entity in January of the year following the interest payment and informs the individual or entity of the interest amount paid to be reported on their tax return.

Q. What is FATCA?

A. The Foreign Account Tax Compliance Act (FATCA) is a United States law designed to combat tax evasion by U.S. persons/entities. Provisions to the law include expansive withholding and information reporting rules aimed at ensuring U.S. persons and entities with financial assets outside the U.S. are paying U.S. taxes.

Q. What if the insured was confined in a skilled nursing home for 180 consecutive days prior to his/her death?

A. Additional benefits may be available and their eligibility is outlined in the Contract Provisions. Contact New York Life for specific information.
